- 2 Large hand sanitizer bottle

- Note: PLEASE LABEL ALL YOUR CHILD'S CLOTHING AND FOOTWEAR INCLUDING LUNCH BOXES.

Welcome Future 3rd Grader,

I am so excited to have you in my class at the start of the new school year next August! My goal is for you to have a meaningful year as s 3rd grader and enjoy each day of school. I am recommending you to complete these assignments over the summer break to keep you brain active and prepare yourself for 3rd grade.

I am assigning 3rd grade level IXL assignments in both Math and English Language Arts to be done over the summer. I would like for you to score a 90 or above on all IXL assignments.

You have 2 books to read and projects to be done over the summer. I am including recommended reading books to do in addition to the assigned reading assignments.

I am asking that you to start memorizing multiplication facts for 1-12 to have a successful year in math. I am attaching a multiplication table to help you get started and encourage you to make flash card to help you practice.

Please feel free to email me at [ssaladino@sjstampa.org](mailto:ssaladino@sjstampa.org) with any questions about the assignments.

I am so excited for 2019-2020 school year. I can't wait to begin our new adventure next school year!

Have a great summer!

Mrs. Stephanie Musick

# Flat Stanley Project:

Flat Stanley is about a young boy who gets flattened by a bulletin board and is able to travel the world in an envelope. Flat Stanley loves an adventure and wants to tag along on your summer adventures.

For this assignment you will color and create your own Flat Stanley with the copy provided. Please share some information about his whereabouts during your summer adventures. Please include a picture of a landmark you vacationed at or something special you did with your Flat Stanley. Please be sure to write a few sentences about your whereabouts and any information you collected over your vacation. You may want to re-name you Flat Stanley and include any fun activities you may have done with your Flat Stanley.

When you return to school be sure to bring your Flat Stanley and his whereabouts to share with the class.

Have fun exploring with your new friend!

If you have any questions please feel free to contact me via email at
