EMERGENCY FORMS

Every student should have an emergency card on file. The school office still has some students missing emergency information. Please make sure these are turned in. It is very important. Thank you.

St. John Bosco 200th Anniversary

This year's Pastoral Theme is the celebration of St. John Bosco's 200th anniversary. Throughout the school year we will be recognizing students for their Salesian Charism. The first month is the expression of the gift of joy.

Look for future newsletters on website and Rediker.

If you are having a difficult time logging on to Rediker please email Mr. Crafa at tcrafa@sjstampa.org

PARENT VOLUNTEER SERVICE HOUR POINTS OPPORTUNITIES

Tuesday Sept. 9th : We are in need of a few volunteers to help prepare the guided reading libraries.

Handy man dads : We need a couple of handy dads with carpentry skills and your own tools to make a set of specific shelves/office mailboxes. The school can purchase the wood needed and the work can be done on your time.

Please call or email the office for additional information or to sign up for any of these two service points opportunities.

Office 813.879.7720 // email: acastillo@sjstampa.org

Please stay in your vehicle and follow the car line. It will make the dismissal process safe for our children.

Thank You

SAFE ENVIRONMENT and LEVEL II SCREENING

Every parent, grandparent, aunt, uncle etc. wishing to participate in field trips, classroom parties, volunteer during school hours or celebrate your child's birthday during school hours must have both the safe environment training and level II screening.

The safe environment and level II background screening are both good for 5 years.

If you have not taken the safe environment training there is one scheduled for Saturday September 13 in English at 9am and in Spanish at 1pm free of charge. The safe environment classes will be held in our cafeteria. The level II background screening is by appointment only and must be scheduled online through the diocesan website at dosp.org; the cost is \$50 for the level II screening.
