

Tiger Newsletter

St. Joseph Catholic School March 24, 2017

Dear St. Joseph Families and Friends,
 One of our root beliefs at St. Joseph is that we are called to offer our best to God. This past weekend, I got to see that root belief in action during the church's Lenten Renovations. Parents, students, parishioners, and other members of our church and school community took time out of their busy weekend to volunteer and paint, landscape, and beautify this campus.
 Thank you for offering your help and support to make our school and church campus one we can be proud of.
 God Bless...
 Mrs. Budd

Parent Teacher Conferences

Family Connection for Sunday, March 26, 2017

When infants are baptized, parents, with the help of the godparents, assume responsibility for raising the child as a follower of Jesus. The process of maturation in the faith is much like the example found in the story of the man born blind. The man is cured of his blindness, a symbol of his sin. Each time he meets someone after the healing, the man comes to a deeper awareness of who Jesus is. In a similar way, we who are baptized continue to mature in faith as our relationship with and knowledge about Jesus grows.

Invite each member of your family to draw a timeline of his or her life. On the timelines, ask family members to identify significant moments in their lives, especially their life of faith. Invite each person to reflect upon who Jesus was to him or her at each significant moment. How has each person's relationship with Jesus changed or matured? Then read together today's Gospel, John 9:1-41. Note how the relationship between Jesus and the man born blind changes and grows throughout the Gospel. Pray together that your relationship with Jesus will continue to grow and develop, becoming ever deeper. Conclude by praying together the Lord's Prayer.
